

## **PAHBA Board Meeting highlights – December 2015**

The meeting of the PAHBA Board took place on December 16th, 2015. The last one this year.

The participants of the meeting discussed the past year in terms of the shows held and the show calendar for 2016. They proposed a date for the Polish National Sport Championships, which will take place on the 18-19th of June 2016 at Michałów Stud.

Andrzej Wójtowicz proposed that laureates of medal places (gold, silver and bronze) of „Title” and „A” shows, as well as gold medalists of „B” shows should not be allowed to participate in „C” ranked shows and also laureates of medals spots (gold, silver and bronze) of „Title” shows and gold medalists of „A” shows should not participate in „B” ranked shows. This proposition will be submitted at the ECAHO General Assembly in 2016.

**In the 2016 breeding season the 50% discount for the breeding fee of Agricultural Property Agency stud stallions will only be available to PAHBA members and not (as up to now) breeders of horses registered in the PASB. The Association would like to ask private breeders and owners of stallions available in the 2016 breeding season to also offer a discount for breeding.**

A date for the PAHBA General Assembly was suggested to be held on April 9-1th, 2016, traditionally at Janów Podlaski Stud. It was decided that due to the agreement signed between ECAHO and AHO, the rules for choosing „Breeder of the best show horse” will also include the Chantilly show organized by AHO in Europe. This show will be treated as „A” ranked.

It was decided that the ECAHO General Assembly, held in 2016 in Oman, will be represented by PAHBA member Tomasz Tarczyński.

**ANNOUNCEMENT:** The PAHBA announces a collecting of offers for creating a design of statuettes/prizes which will in the future become the prevailing trophy at shows in Białka and Janów Podlaski. Please submit your offers by January 31st, 2016 in any written form, to the address of the PAHBA, preferably by email.
